## Fish experience

### Fishing trips and guided tours – lakes and south coast

Lautturigroup provides customized fishing trips and guided raft cruising in lake Vesijärvi, Päijänne and South coast of Finland (Helsinki). Our Tracker-raft has plenty of space in one level and can fit big groups. Because of flat floor construction, the raft is suitable for handicap groups and swings as little as possible. Fish cleaning course and food service can also be arranged according your needs.

### Fishing guides

All guides have certified fishing guide qualification. They have long term experience in fishing to provide best fishing experience throughout a year. We have authority certified Trafi-licence for safe boating, special education for first aid, hygiene pass and fish cleaning skills.
